

Articture – Ames Coffee Table

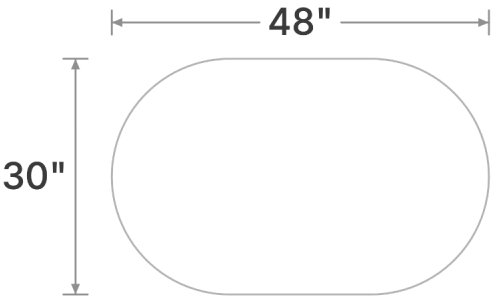

Ames Coffee Table

Reeded column legs and a softly rounded racetrack top give the Ames its rhythm — classical detail at a relaxed, modern height. Built from solid hardwood with oak veneer over an engineered core for strength, stability, and consistent grain, then hand-finished in four wood tones. Made to order in four lengths, 48" to 84".

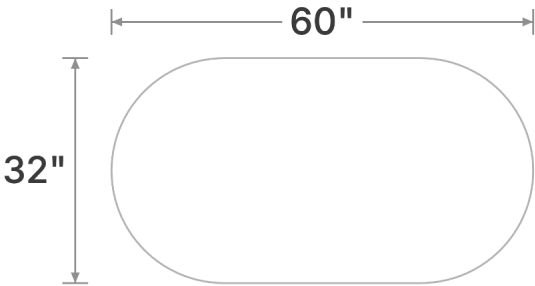

Made to order — ships in 8-10 weeks.
